FOR IMMEDIATE RELEASE

### **Vaccine Walk Up Clinic Now Closed**

**Jefferson, Texas** –The walk-up vaccine clinic being held at Heritage Baptist Church in Jefferson, Texas is closed.

The clinic saw very few people. I hope it's because most people who wanted a vaccine have received one.

Please visit the Texas Department of Health Services (<https://dshs.texas.gov/>) for local vaccine information.

Respectfully,

Judge Leward J. LaFleur
